

College Mentors for Kids EtC's 5th Annual Summer Bash

Sponsorship Opportunities

College Mentors for Kids believes that mentoring transforms lives: we connect kids to college students through weekly on-campus activities that inspire growth, confidence, and brighter futures.

College Mentors, EtC is a committee of dedicated professionals in the Indianapolis area that works to support and spread awareness of the College Mentors mission.

This summer, EtC will host its fifth annual summer event benefitting College Mentors. Three sponsorship levels provide visibility and recognition before, during, and after the event and support the important work of College Mentors for Kids.
